Hi Team,

We will meet in room 10210.

best,

dbw

The EnVision Center Task Force had successful meetings in Detroit this week. I would like to have a quick huddle to discuss the organizational structure of the EnVision Centers and get your feedback on a model that we believe will work.

The meeting should take 30 minutes. I will add location tomorrow morning.

Best,

dbw

Subject: OCPO Roundtable Discussion - Cost-Type Contract IGCEs (12/13)  
When: Wednesday, December 13, 2017 2:00 PM-3:00 PM (UTC-05:00) Eastern Time (US & Canada).  
Where: OCPO Conference Room (5256) or Tele-Conference # 1-877-336-1839 Access Code: (b)(6)

Project/Program Managers:

The next OCPO Roundtable Discussion will be held on Wednesday, December 13, 2017, starting at 2:00pm (ET).

Do you have any interest in Cost-Type Contract Independent Government Cost Estimates (IGCEs)? If so, this OCPO Roundtable Discussion is for you!

IGCEs are the Government's best estimate of a contract, order, or modification's potential costs. The IGCE must include all costs that a prudent, experienced contractor would be expected to incur. An IGCE must be developed in sufficient detail to allow budget, program

and acquisition personnel to make informed decisions throughout the acquisition process. IGCEs may be built using any basis or a combination of bases that are appropriate for the individual requirement.

This OCPO Roundtable is geared towards Contract Specialists, Contracting Officer Representatives, Subject Matter Experts, Project/Program Managers, Cost Analysts, and others who have general interest in this topic.

For those of you located in Headquarters (HQ), please plan to attend in-person in the OCPO Main Conference Room, Room 5256.

For those of you that are not in Headquarters, information on how to attend is as follows:

Call in number: 1-877-336-1839

Kevin,

We will have the proposed calculation of tax benefit for the Deputy Secretary for FY17 this Wednesday. Some of the early logs were missing key information, and we've had to make some judgement calls and do our best to interpret the guidance provided in the OGC memo. We would like to meet to ensure that the approach taken matches the overall intent of the law and guidance provided.

Thanks so much,

Laura

Good Afternoon All,

I have a few additional details I wanted to pass along for your principals/own visibility.

The new arrival entrance for all Cabinet Members and VIP's will be through the Media check-in on 13th Street and Pennsylvania Avenue. As stated before, we request that the VIP's arrive no later than

1:40 to ensure that they will be seated before POTUS arrives. From here VIP's will be escorted by the Cabinet Affairs team alongside a few other volunteers. From this check point they will then go through mags, and further be escorted to the Amphitheatre in the Reagan Building, to their specific VIP seating. Please note that this reserved seating is for the VIP's only, therefore if they are bringing along a staff member or plus one, they will be unable to sit with the VIP.

We are expecting this event to be completely filled, therefore arriving a few minutes earlier than the 1:40 arrival request may help ease the seating process.

Thank you all again for your patience and quick response, please let me know if you have any further questions.

Hi Allison and Jacie -  
Secretary DeVos and Dick DeVos are hoping to pull a small group together for dinner at their DC Residence and would like to invite Secretary Carson and Candy Carson to attend.  
The dinner would be on Thursday, January 11th and would likely start sometime around 6:30pm or 7:00pm.  
Other invitees are a few members of the Cabinet and their spouses as well. The dinner will likely be no more than 10-12 people total (including Sec DeVos and Dick).  
And if Thursday, January 11th doesn't work on the Carson's end - Sec DeVos will likely do another small dinner in the near future as well.  
Thanks so much!

What is a Curriculum Review Conference?

The CRC is a process by which training programs are examined, modified and approved, culminating in a formal meeting in which decisions are made by consensus of stakeholders. This gathering is a critical step in identifying training needs, performance objectives, course content, instructional strategies, evaluation methods, development plans, risk mitigation and resource requirements (money, time, personnel, equipment, etc.). Participants may determine the scope of training, sequencing of instruction, and the acceptable standards of performance for graduation. They will have an opportunity to present training recommendations, hear SMEs' findings and input, and provide feedback on training proposals.

Please let us know if your Cabinet Member is able to attend.

The Speaker and Senate Leadership have extended an invitation to the Graham family expressing their intention to have Congress permit the late Reverend Billy Graham to lie in honor in the Rotunda of the US Capitol. To that end, I wanted to give you a head's up on the

arrival service which would occur on Wednesday, February 28, 2018, at 11:00 AM in the Rotunda. This is the traditional service where his casket will be carried into the Rotunda with the family in attendance, and a formal wreath laying by the President, the Speaker and the Majority Leader of the Senate.

On behalf of the United State Congress, we invite the President's Cabinet to attend the Graham Arrival Service on February 28. We will provide details on the arrival time and a hold room for the Cabinet as soon as we they are finalized. Catherine Huddleston in our office is the POC. We are having a timeline meeting on Monday, February 26, 2018 at 9:30 AM in HC-5 and would welcome reps attend.

Project/Program Managers:

The next OCPO Roundtable Discussion will be held on Thursday, January 11, 2018, starting at 2:30pm (ET).

Do you have any interest in Cost-Type Contract Independent Government Cost Estimates (IGCEs)? If so, this OCPO Roundtable Discussion is for you!

IGCEs are the Government's best estimate of a contract, order, or modification's potential costs. The IGCE must include all costs that a prudent, experienced contractor would be expected to incur. An IGCE must be developed in sufficient detail to allow budget, program

and acquisition personnel to make informed decisions throughout the acquisition process. IGCEs may be built using any basis or a combination of bases that are appropriate for the individual requirement.

This OCPO Roundtable is geared towards Contract Specialists, Contracting Officer Representatives, Subject Matter Experts, Project/Program Managers, Cost Analysts, and others who have general interest in this topic.

For those of you located in Headquarters (HQ), please plan to attend in-person in the OCPO Main Conference Room, Room 5256.

For those of you that are not in Headquarters, information on how to attend is as follows:

Project/Program Managers:

The next OCPO Roundtable Discussion will be held on Thursday, January 11, 2018, starting at 2:30pm (ET).

Do you have any interest in Cost-Type Contract Independent Government Cost Estimates (IGCEs)? If so, this OCPO Roundtable Discussion is for you!

IGCEs are the Government's best estimate of a contract, order, or modification's potential costs. The IGCE must include all costs that a prudent, experienced contractor would be expected to incur. An IGCE must be developed in sufficient detail to allow budget, program

and acquisition personnel to make informed decisions throughout the acquisition process. IGCEs may be built using any basis or a combination of bases that are appropriate for the individual requirement.

This OCPO Roundtable is geared towards Contract Specialists, Contracting Officer Representatives, Subject Matter Experts, Project/Program Managers, Cost Analysts, and others who have general interest in this topic.

For those of you located in Headquarters (HQ), please plan to attend in-person in the OCPO Main Conference Room, Room 5256.

For those of you that are not in Headquarters, information on how to attend is as follows:

Moving this to 3:30 at the request of Kevin.

All,

Paula heard from OCHCO that we need to provide the FY17 number  
today. Please let us know if you are available this afternoon.

---

Kevin,

We will have the proposed calculation of tax benefit for the Deputy  
Secretary for FY17 this Wednesday. Some of the early logs were  
missing key information, and we've had to make some judgement calls  
and do our best to interpret the guidance provided in the OGC memo.  
We would like to meet to ensure that the approach taken matches the  
overall intent of the law and guidance provided.

Thanks so much,

Laura
